

Quality Soap Consumables & Vending Units

Soap Packet Orders: email too: spares@speedqueensales.com.au

'EUCA' is a unique formulation that is different to all other laundry products. 100% Australian made and Australian owned product.

Low allergenic, with no synthetic perfumes that can cause allergic reactions. Euca do not use raw materials that have been tested on animals.

Premium quality ultra-concentrate blend in powder and liquid, so you use less per wash.
